311 Haines Road
York, Pa. 17402

Mission Statement

At the present time Eastminster has not developed a Mission Statement. It has adopted core values.

Core Values adopted by Session on October 21, 2013:

We value responding to God, our Creator, and acknowledging the sovereign power of that Creator through regular worship in a manner consistent with the tradition of the Presbyterian Church – gathering before God, listening to God’s word, responding to God’s grace, and departing for service. Psalm 95:6-7; 2 Timothy 3:16-17

We value the Bible as providing guidance to discern God’s will through worship, study, and prayer so that we might respond to our triune God with praise, honor, transformation and renewal. By staying in touch with God we will have the needed wisdom to meet the great challenges of life. Joshua 1:8

We value the nurturing of healthy relationships, enabling us to love, encourage, and support one another in our homes, church community and in the larger world community. Hebrews 10:23-25; Micah 6:8; Acts 2:42

We value music as a form of worship enabling us to experience the power of God and connect us emotionally to the message of scripture provided in our worship services. Music allows us to more fully and in one accord respond with heart, soul, and mind to God’s word. Psalm 100; Psalm 81:1-3

We value the beauty of our church campus given to us by God as a place for worship, and we acknowledge our care for that gift as a prayer enabling us to remain in an appropriate and reverent rapport with God. Psalm 8; Psalm 24:1; Genesis 1:26-30
