

Eastminster Senior Choir Music Endowment Trust Fnd

Established in 1991
Used for the Senior Choir.
Open to additional donations

This fund originally started out in a savings account at Harris Savings. The beginning amount was \$1000.00. In 1998 the memorial money received in memory of Mary Catherine Schauer was added to this amount. In 2000 an additional donation of \$25 was made giving the amount we now have of approximately \$3550.

The savings account was closed in 2001 and the moneys will be designated into a fund established at Allfirst.

- The initial \$1000 principle is designated to remain in tact under any circumstance.
- Application for use of the income should be made to the Worship Elder, who in turn makes the appropriate request to the Board of Trustees.
